INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Rock for Reading, NFP

We have audited the accompanying consolidated balance sheets of Rock for Reading, NFP, as of December 31, 2009 and 2008, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Rock for Reading, NFP, as of December 31, 2009 and 2008, and the changes in its net assets and in cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE A: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Rock for Reading, NFP (the Organization) awards grants to libraries, schools and education/advocacy organizations that support reading programs. Rock for Reading, NFP raises awareness, funds and tools through a series of musical concerts. The Organization is supported primarily through donor contributions, sponsorships, and revenue earned at the musical concerts.

Contributed Services

During the year ended December 31, 2009 and 2008, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization in obtaining grants and organizing the musical concerts, but these services do not meet the criteria for recognition as contributed services.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that may affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

It is the Organization's policy to capitalize property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Property and equipment are depreciated using the straight-line methods.

Financial Statement Presentation

The organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by the statement, the Organization does not use fund accounting.
